

Free OECD frisbees---Just in time for spring!

Great Tips for Statistical Research: Navigating the OECD Online Database

Date: March 17th

Time: 10am and 2pm Two sessions

Location: O'Neill Library, Room 307

Speaker: Alex Shoenfeld, Sales and Training Officer for the OECD, is coming to BC to speak about the resources that are available on the OECD website to undergraduates, graduates, and faculty doing research. He will present many useful tips that can make researching statistics a breeze!!!

This event is co-hosted by the University Libraries.

An assortment of snacks and refreshments will be provided!
